

CERTIFICATE

Type Examination for Lift Equipment

Nr: LDsqV03-1105-0183-25

MAS INDUSTRIES PVT. LTD.

D378, TTC INDUSTRIAL AREA, TURBHE MIDC, NAVI MUMBAI, THANE, MAHARASHTRA, 400705 INDIA

D KARE examined and approved that the products stated below meet the relevant harmonized standard requirements listed below.

Product Name : LINEAR BUFFER FOR ELECTRICAL AND HYDRAULIC LIFTS
Trademark : MAS
Types : MAS ESD 14-235
Report nr. : LDsqV03-1105-0183-25
Related Harmonized Standards : EN 81-20:2020 Article 5.8.2.1.1

In case of any changes made to the types or equipment specified in this certificate, or changes occurring in the relevant standards, the validity of this certificate shall be re-evaluated by D KARE.

This certificate has been issued based on the findings stated in the inspection report LDsqV03-1105-0183-25

The supply of products manufactured according to the type specified in this certificate shall be carried out together with the Declaration of Conformity issued under the above-mentioned standards

Although this certificate is not a safety component certificate, it has been verified that the safety components used in the product have been evaluated in accordance with the relevant directives.
